Dear Residents of The Mather,

We wanted to inform you that we learned yesterday, November 27, 2020, that **an employee who works in Independent Living has tested positive for COVID-19.**

This employee is recovering at home and following guidance from their physician. We wish this individual a speedy recovery. The Mather is interviewing this person to determine if they were in close contact with residents and/or other employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

THE MATHER LIFE CENTRE UPDATE:

Routine testing of both residents and employees who work at The Mather Life Centre continues. There are no new positive cases to report.
