Dear Employees of The Mather,

We wanted to inform you that we learned yesterday, December 26, 2020, that **an employee of The Mather Life Centre tested positive for COVID-19**. We wish this individual a speedy recovery. The Mather is interviewing this individual to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

COVID-19 VACCINE NEWS REMINDER FOR LIFE CENTRE EMPLOYEES:

Wednesday, January 6 is the date that Life Centre residents and employees can receive the COVID-19 vaccine. We are working on gathering consent forms from everyone who wants to be included. **Completed consent forms for employees in the Life Centre must be received no later than next Wednesday, December 30.** The pharmacy will only bring enough vaccines for the number of consent forms we have in hand.

We will keep everyone updated as we learn more regarding when the vaccine will be available for Independent Living residents and employees.

Wishing you and your families a warm holiday season.

Sincerely,

Deann Daniel
Executive Director
