

# COVID-19 UPDATE

January 3, 2022

Dear Employees of The Mather,

We wanted to inform you that we have learned that **three residents in Independent Living and three employees in the Life Centre have tested positive for COVID-19**. We wish these individuals a speedy recovery.

The Mather is interviewing each of these individuals to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **GET YOUR BOOSTER– TUESDAY, JANUARY 11:**

**If you have not received your COVID-19 vaccine booster, please sign up for the on-site booster clinic on Tuesday, January 11.** Consent forms should be given to HR.

Mather now requires all team members, including new hires, to receive full vaccination and booster by January 17, 2022, unless a reasonable accommodation and exemption from the policy is approved.

If you have already received your booster, please provide a copy of your vaccination card to Human Resources before January 17.

**If you are experiencing any symptoms of COVID-19, if you have been exposed to someone who has tested positive for COVID-19, or if you have tested positive, please do not come to work. Please notify HR immediately.**

Please take care and stay well.

Sincerely,

Deann Daniel  
Executive Director
