

COVID-19 UPDATE

January 12, 2022

Dear Residents of The Mather,

We wanted to inform you that we have learned that **one resident in Independent Living and two employees who work in Independent Living have tested positive for COVID-19. Note that this is our first time reporting these cases; these have not been reported in a previous letter.** We wish these individuals a speedy recovery.

The Mather is interviewing each of these individuals to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

OUR COMMITMENT:

We're committed to keeping residents and staff healthy, and believe our collective efforts are the most effective way to minimize the number of cases. Thank you for all you're doing to keep our community safe!

ON-SITE TESTING EVERY FRIDAY:

We will be hosting on-site COVID-19 testing clinics for residents every Friday in January between 9:30 a.m. and 12:30 p.m. in Possibilities 1. The clinics are conducted by Northshore Clinical Labs.

- Please sign up at the front desk each week you would like to be tested. You will need to pick up and complete a requisition form, which **must be completed ahead of time.** A new form is required each week you are tested.
- Tests being given will take 24 to 48 hours for results.
- **If you are experiencing any symptoms of illness, do not attend the testing clinic.** Please reach out to your physician.

Please take care and stay well.

Sincerely,

Deann Daniel
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
