

COVID-19 UPDATE

January 14, 2022

Dear Residents of The Mather,

We wanted to inform you that we have learned that **one employee who works in Independent Living and one employee who works in Life Centre have tested positive for COVID-19**. Note that this is our first time reporting these cases; these have not been reported in a previous letter. We wish these individuals a speedy recovery.

The Mather is interviewing each of these individuals to determine if he/she was in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

GOING OUT? MASK UP!

Wear a good-quality face mask when outside your home.

COVID-19 TESTING AVAILABLE:

On-site COVID-19 testing clinics are available to residents every Friday in January between 9:30 a.m. and 12:30 p.m. Clinics are conducted by Northshore Clinical Labs.

- Each time you'd like to be tested, sign up at the front desk, where you'll pick up a requisition form. **This form must be completed ahead of time.**
- Tests being given will take 24 to 48 hours for results.
- **If you are experiencing any symptoms of illness, do not attend the testing clinic.** Please reach out to your physician.

Please take care and stay well.

Sincerely,

Deann Daniel
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
