

COVID-19 UPDATE

April 20, 2022

Dear Employees of The Mather,

We wanted to inform you that we have learned that **an Independent Living resident has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

FEELING ILL? CALL IN!

Even if you are experiencing mild symptoms, please err on the side of caution:

- **Stay home. Do not come to work.**
- **Take a COVID-19 test.** Please contact your personal physician if you have questions about at-home tests versus PCR testing. If you test positive, notify your personal physician immediately; there are new treatments they can prescribe that can decrease your risk of severe illness.
- If you test positive for COVID-19, **notify HR immediately.**

WEAR A MASK INDOORS:

While mask mandates have been lifted for transportation and other areas, **The Mather still requires face masks in all indoor spaces in our community. This is based on CDC guidelines, and applies to residents, guests, and employees.** We ask that you consider wearing a well-fitting mask while indoors in any public area—it's an effective way to protect yourself from COVID-19.

Please take care and stay well.

Sincerely,

Deann Daniel, Executive Director

FEELING SICK? STAY HOME!

Please stay in your home if you feel ill—even with mild, cold-like symptoms.
