

COVID-19 UPDATE

May 4, 2022

Dear Employees of The Mather,

We wanted to inform you that we have learned that **an Independent Living resident has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

PLEASE STAY SAFE:

As we continue to live with COVID-19, we know how to reduce risk of infection:

1. Get your second booster shot, if and when you are eligible
2. Stay home when you feel ill.
3. Wear a mask when indoors in public space.
4. If you think you have COVID-19 or were exposed to COVID-19, get tested.

With Mother's Day coming up, consider taking steps to keep family gatherings safe. You can ask everyone planning to attend to take a home-based COVID-19 test 24 hours in advance. If anyone had recently been sick—even with a negative test result—please reconsider your plans. And if weather permits, consider moving your gathering outdoors.

Please take care and stay well.

Sincerely,

Deann Daniel
Executive Director
