

COVID-19 UPDATE

June 22, 2022

Dear Residents of The Mather,

We wanted to inform you that we have learned that **a resident who lives in Independent Living has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

IMPORTANT REMINDERS:

Please **let the Concierge know if you get a positive test result on a COVID-19 home-based test or from a lab test**. Simply call the front desk at (847) 492.5000.

Also, please **remind your guests before they arrive that everyone is required to wear face masks in our hallways, elevators, and indoor amenity areas**.

PICK UP A FREE COVID-19 TEST KIT:

You can ask the Wellness Resource Nurse or me for a free home-based COVID-19 tests kits. Mather did not purchase these kits and does not endorse one brand of kit over others. It is completely voluntary for interested individuals to accept a kit.

Note that if you receive a positive test result at home, OR if your result is negative but you have COVID-19 symptoms, then you should stay in your home and contact your health care provider. Your provider may recommend a follow-up test.

Please take care and stay well.

Deann Daniel
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
