

COVID-19 UPDATE

August 12, 2022

Dear Employees of The Mather,

We wanted to inform you that we have learned that **a resident who lives in Independent Living has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

GET A FREE COVID-19 TEST KIT:

We still have COVID-19 home-based COVID-19 tests kits available to anyone who is interested—just ask your HR representative for a free kit. Mather did not purchase these kits and does not endorse one brand of kit over others. It is completely voluntary for interested individuals to accept a kit.

Note that if you receive a positive test result at home, OR if your result is negative but you have COVID-19 symptoms, then you should stay home and contact your health care provider. Your provider may recommend a follow-up test. Also, **be sure to let your HR representative know if you receive a positive test result.**

Please take care and stay well.

Sincerely,

Deann Daniel
Executive Director
