

# COVID-19 UPDATE

September 13, 2022

Dear Employees of The Mather,

We wanted to inform you that we have learned that **the following individuals have tested positive for COVID-19:**

- **three residents in Independent Living**
- **two residents in the Life Centre**
- **one employee who works in the Life Centre**

We wish these individuals a speedy recovery. The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **LIFE CENTRE PROTOCOLS IN PLACE**

A COVID-19 case in The Mather Life Centre requires us to test all residents and employees who reside or work in the Life Centre twice a week until there are no more positive cases for 14 days. **We are conducting testing for residents and employees in the Life Centre.**

## **INDEPENDENT LIVING UPDATE:**

There are no changes for Independent Living.

Please take care and stay well.

Sincerely,

Nina Kuzniak  
Director of Repriorment
