

COVID-19 UPDATE

September 19, 2022

Dear Employees of The Mather,

We have learned that **a resident who lives in Independent Living has tested positive for COVID-19. This is a new case and has not previously been reported.** We wish this individual a speedy recovery.

We will continue with our current protocols as advised by the Evanston Health Department **The following changes are in effect through Monday, September 26.**

We will continue to pause service in our restaurants.

- **Residents who have not tested positive for COVID-19 can choose between picking up meals to-go and having them delivered to their apartment home at no charge.**
- Indoor programs and any congregate activities will be paused; outdoor programs will continue.
- We will begin providing access to Get Fit, including the pool, on an appointment basis.
- Housekeeping will be focused on cleaning and disinfecting high-touch surfaces throughout our community. **Housekeeping in apartment homes will continue on schedule, but we ask that residents vacate their home or remain masked in another room while their apartment is being serviced.**

Please continue with the COVID-19 infection control precautions we have been using over the last two years. We appreciate your commitment.

- Wash your hands often [When and How to Wash Your Hands | Handwashing | CDC.](#)
- Wear a well-fitting face mask.
- Maintain 6 feet of distance from others.
- If you feel sick or have any symptoms, please stay home and contact your supervisor.

Our primary concern is for the health and well-being of residents and employees.

Please feel free to contact me or Maria Izokaitis in Human Resources with any questions.

Take care and stay well.

Sincerely,

Nina Kuzniak
Director of Repriorment
