

COVID-19 UPDATE

September 23, 2022

Dear Employees of The Mather,

We have learned that **an independent contractor who works in the Life Centre has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

LIFE CENTRE PROTOCOLS IN PLACE

This case requires us to **continue testing all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no more positive cases for 14 days.

INDEPENDENT LIVING UPDATE:

At this time there are no changes to the status of restaurants, Get Fit, etc., in Independent Living. We will re-evaluate on Monday, September 26 when we can reopen services.
