

# COVID-19 UPDATE

September 26, 2022

Dear Employees of The Mather,

We have learned that **two residents in the Life Centre have tested positive for COVID-19**. We wish these individuals a speedy recovery.

The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **LIFE CENTRE PROTOCOLS IN PLACE:**

We will continue to **test all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no positive cases for 14 days.

## **INDEPENDENT LIVING UPDATE:**

We are happy to report that **amenities and services in Independent Living will return to normal service and schedules tomorrow, Tuesday, September 27**. This includes all restaurants, Get Fit, the salon, and indoor programs.

## **OCTOBER 24 BOOSTER & FLU SHOT CLINIC:**

We will offer an on-site clinic on Monday, October 24 for both flu vaccines and for the BiValent COVID-19 booster (which protects against current variants). To register for the flu vaccine, COVID-19 booster, or both, please contact your HR representative. Appointment times and consent forms will be distributed at a later time. **Please do not wait for this clinic if you are able to obtain a BiValent booster before then**. Contact your pharmacy to check for availability and appointments.

Take care and stay well.

Sincerely,

Deann Daniel  
Executive Director
