

COVID-19 UPDATE

September 11, 2022

Dear Residents of The Mather,

We wanted to inform you that we have learned that **two residents who live in Independent Living have tested positive for COVID-19**. We wish these individuals a speedy recovery.

The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

MINOR COLD SYMPTOMS? PLEASE STAY HOME:

If you feel ill—even if you are experiencing mild symptoms, like a cold or seasonal allergies, please err on the side of caution by

- **staying in your home to avoid spreading a virus**
- **taking a COVID-19 test**. Please contact your personal physician if you have questions about at-home tests versus PCR testing.

UPDATED BOOSTER SHOT:

The Mather has contacted a pharmacy about possibly holding an on-site clinic to provide the latest COVID-19 booster (which protects against current variants). Pharmacies are not sure when they'll receive supplies of the vaccine. We'll share updates when we know more. In the meantime, if you're able to access this booster elsewhere, we encourage you to do so.

Please take care and stay well.

Deann Daniel
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
