

COVID-19 UPDATE

September 23, 2022

Dear Residents of The Mather,

We have learned that **an independent contractor who works in the Life Centre has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

LIFE CENTRE PROTOCOLS IN PLACE:

This case requires us to **continue testing all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no more positive cases for 14 days.

INDEPENDENT LIVING UPDATE:

At this time there are no changes to the status of restaurants, Get Fit, etc., in Independent Living. We will re-evaluate on Monday, September 26 when we can reopen services.

FEELING SICK? STAY HOME!

Please stay in your home if you feel ill—even with mild, cold-like symptoms.

Free COVID-19 test kits are available for your use. If you would like one, please contact Bonnie Lockhart, the Wellness Resource Nurse, or the Concierge.

Our primary concern is for the health and well-being of our residents and employees. Please feel free to contact me with any questions.

Take care and stay well.

Deann Daniel, Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
