

COVID-19 UPDATE

September 26, 2022

Dear Residents of The Mather,

We have learned that **two residents in the Life Centre have tested positive for COVID-19**. We wish these individuals a speedy recovery.

The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

LIFE CENTRE PROTOCOLS IN PLACE:

We will continue to **test all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no positive cases for 14 days.

INDEPENDENT LIVING UPDATE:

We are happy to report that **amenities and services in Independent Living will return to normal service and schedules tomorrow, Tuesday, September 27**. This includes all restaurants, Get Fit, the salon, and indoor programs.

OCTOBER 24 BOOSTER & FLU SHOT CLINIC:

We will offer an on-site clinic on Monday, October 24 for both flu vaccines and for the BiValent COVID-19 booster (which protects against current variants). To register for the flu vaccine, COVID-19 booster, or both, please contact the Concierge. Appointment times and consent forms will be distributed at a later time. **Please do not wait for this clinic if you are able to obtain a BiValent booster before then.** Contact your pharmacy to check for availability and appointments.

Take care and stay well.

Deann Daniel
Executive Director

Please note that this letter is being shared with all residents' current emergency contacts.
