

COVID-19 UPDATE

September 6, 2022

Dear Residents of The Mather,

We wanted to inform you that we have learned that **a resident who lives in Independent Living has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

FEEL ILL? PLEASE STAY HOME:

Even if you are experiencing mild symptoms, like a cold or seasonal allergies, please err on the side of caution by

- **staying in your home to avoid spreading a virus**
- **taking a COVID-19 test**. Please contact your personal physician if you have questions about at-home tests versus PCR testing.

NEW BOOSTER SHOT:

The Mather has contacted a pharmacy about possibly holding an on-site clinic, and we'll share updates when we know more. The pharmacies are not sure when they will receive supplies of the vaccine. If you are able to access a booster elsewhere – we encourage you to do so.

Please take care and stay well.

Deann Daniel
Executive Director

PS: Please note that this letter is being shared with all residents' current emergency contacts.
