

COVID-19 UPDATE

October 17, 2022

Dear Employees of The Mather,

We have learned that **an Independent Living resident has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

INDEPENDENT LIVING UPDATE:

There are no changes for residents in Independent Living.

LIFE CENTRE PROTOCOLS IN PLACE:

We will continue to **test all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no positive cases for 14 days.

DON'T WAIT TO GET THE LATEST BOOSTER:

Please do not wait for our clinic if you are able to obtain a bivalent booster before then. Contact your pharmacy to check for availability and appointments.

It's not too late to sign up for our on-site clinic **next Monday, October 24** for both flu vaccines and for the bivalent COVID-19 booster (which protects against current variants). Please register by Tuesday for the flu vaccine, COVID-19 booster, or both. You can contact your HR representative. Appointment times and consent forms will be distributed at a later time.

Take care and stay well.

Sincerely,

Deann Daniel
Executive Director
