

COVID-19 UPDATE

October 4, 2022

Dear Employees of The Mather,

We have learned that **the following individuals have tested positive for COVID-19:**

- **one Independent Living resident**
- **one employee who works in the Life Centre**
- **one independent contractor who works in the Life Centre**

We wish these individuals a speedy recovery. The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

LIFE CENTRE PROTOCOLS IN PLACE:

We will continue to **test all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no positive cases for 14 days.

INDEPENDENT LIVING UPDATE:

There are no changes for residents in Independent Living.

OCTOBER 24 BOOSTER & FLU SHOT CLINIC:

You can still register for our on-site clinic on Monday, October 24 for both flu vaccines and for the bivalent COVID-19 booster (which protects against current variants). To register for the flu vaccine, COVID-19 booster, or both, please contact your HR representative. Appointment times and consent forms will be distributed at a later time. **Please do not wait for this clinic if you are able to obtain a bivalent booster before then.** Contact your pharmacy to check for availability and appointments.

Take care and stay well.

Sincerely,

Deann Daniel
Executive Director
