

# COVID-19 UPDATE

October 14, 2022

Dear Residents of The Mather,

We have learned that **two employees who work in Independent Living have tested positive for COVID-19**. We wish these individuals a speedy recovery.

The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **INDEPENDENT LIVING UPDATE:**

There are no changes for residents in Independent Living.

## **LIFE CENTRE PROTOCOLS IN PLACE:**

We will continue to **test all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no positive cases for 14 days.

## **PLEASE GET THE LATEST BOOSTER:**

**Please do not wait for our clinic if you are able to obtain a bivalent booster before then.** Contact your pharmacy to check for availability and appointments.

It's not too late to sign up for our on-site clinic on Monday, October 24 for both flu vaccines and for the bivalent COVID-19 booster (which protects against current variants). Please register by next Tuesday, October 18 for the flu vaccine, COVID-19 booster, or both. You can contact the Concierge. Appointment times and consent forms will be distributed at a later time.

Take care and stay well.

Sincerely,

Deann Daniel  
Executive Director

*Please note that this letter is being shared with all residents' current emergency contacts.*
