

# COVID-19 UPDATE

October 20, 2022

Dear Residents of The Mather,

We have learned that **three Independent Living residents have tested positive for COVID-19**. We wish these individuals a speedy recovery.

The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

## **INDEPENDENT LIVING UPDATE:**

There are no changes for residents in Independent Living.

## **LIFE CENTRE PROTOCOLS IN PLACE:**

We will continue to **test all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no positive cases for 14 days.

## **FEEL ILL? PLEASE STAY HOME:**

**Even if you are experiencing mild symptoms, like a cold or seasonal allergies,** please err on the side of caution by

- **staying in your home to avoid spreading a virus**
- **taking a COVID-19 test.** Please contact your personal physician if you have questions about at-home tests versus PCR testing.

Take care and stay well.

Sincerely,

Deann Daniel  
Executive Director

*Please note that this letter is being shared with all residents' current emergency contacts.*
