

COVID-19 UPDATE

October 7, 2022

Dear Residents of The Mather,

We have learned that **the following individuals have tested positive for COVID-19:**

- **two Life Centre residents**
- **one independent contractor who works in the Life Centre**

We wish these individuals a speedy recovery. The Mather is interviewing the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

LIFE CENTRE PROTOCOLS IN PLACE:

We will continue to **test all residents, employees, and independent contractors who reside or work in the Life Centre twice a week** until there are no positive cases for 14 days.

INDEPENDENT LIVING UPDATE:

There are no changes for residents in Independent Living.

OCTOBER 24 BOOSTER & FLU SHOT CLINIC:

You can still register for our on-site clinic on Monday, October 24 for both flu vaccines and for the bivalent COVID-19 booster (which protects against current variants). To register for the flu vaccine, COVID-19 booster, or both, please contact the Concierge. Appointment times and consent forms will be distributed at a later time. **Please do not wait for this clinic if you are able to obtain a bivalent booster before then.** Contact your pharmacy to check for availability and appointments.

Take care and stay well.

Deann Daniel
Executive Director

Please note that this letter is being shared with all residents' current emergency contacts.
