

COVID-19 UPDATE

February 22, 2023

Dear Team Members of The Mather,

We ask that, in light of some COVID-19 cases reported recently in our community, you continue to follow proven precautions to protect your health and the health of those around you:

- **Wear a face mask when you're in a group setting.**
- **Practice good hand sanitation.**
- **Stay home when you feel ill.**

UPDATE ON COVID-19 IN OUR COMMUNITY:

This update encompasses the period from February 9 through 21. **During those weeks, we learned that the following individuals tested positive for COVID-19:**

- **2 residents in the Life Centre**
- **1 independent contractor who works in the Life Centre**
- **2 Independent Living employees**

Two of the cases in the Life Centre were reported to family members of Life Centre residents and to employees in letters dated February 12 and 17.

The Mather has interviewed the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes), and notified any affected individuals.

Take care and stay well.

Sincerely,

Deann Daniel
Executive Director
