

# COVID-19 UPDATE

February 9, 2023

Dear Team Members of The Mather,

While the risk levels in our region are declining for flu as well as COVID-19, those illnesses are still present, and we recommend that you **continue to wear a face mask when you're in a group, practice good hand sanitation, and stay home when you feel ill.** These simple precautions can help keep you healthy!

## **UPDATE ON COVID-19 IN OUR COMMUNITY:**

This update encompasses the period from January 25 through February 7. **During those weeks, we learned that one resident in Independent Living and three Independent Living employees have tested positive for COVID-19.**

The Mather has interviewed the individuals to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes), and notified any affected individuals.

Take care and stay well.

Sincerely,

Deann Daniel  
Executive Director
