

COVID-19 UPDATE

February 17, 2023

Dear Team Members of The Mather,

We have learned that **an independent contractor who works in the Life Centre has tested positive for COVID-19**. We wish this individual a speedy recovery.

The Mather is interviewing the individual to determine if they were in close contact with residents and/or employees (meaning within 6 feet of anyone for more than 15 minutes). Individuals who have been in close contact will be notified.

Because of this, we will continue to follow outbreak precautions for Life Centre team members, residents, and visitors. **Any visitor to the Life Centre must wear a face mask during their visit. Any family member or other visitor who was symptoms of a cold, flu, or COVID-19, please consider delaying your visit until you are healthy.**

Take care and stay well.

Sincerely,

Deann Daniel
Executive Director
